

GLOVE SERVICES

Nokona offers many services to repair and take care of your glove. Please note that the charges listed below are estimates - because of the uniqueness of every Nokona, the final cost will be determined after a physical inspection of your glove has been done at the factory. Please use this list as a guide. If you decide to send your glove in for service, please email us at repairs@nokona.com or call us at **1-800-433-0957** and we will give you a Service Order Number, as well as shipping instructions.

NOTE: Shipping & Handling charges apply. Overall quote will be provided once you inquire about your glove service.
